POLICIES

Reporting Production Data to National F.F. Packers Assn.

June 20, 1957

Halgren presented a request from the National F.F. Packers Assn., requesting data on 1956 production tonnage of frozen pies. It was asked, as a policy ruling, as to whether or not we should furnish this data. *It was decided* that the production figures would be presented provided the Association promise participation by at least two other packers.

TO ALL PET-RITZ BROKERS:

With the increase in costs necessary to produce the high quality of Pet-Rits Frosen Cherry Pies, it has become necessary to increase our price 35¢ per dozen, effective opening of business Monday, December 17, 1956. This increase is on Pet-Ritz 8" 24 oz. Cherry Pies only.

Orders will be accepted at the old price for the average of two weeks purchases based on our record of the customers' purchases for the last four months.

Orders at the old prices, for prompt shipment, must be placed by Saturday, Sept. 14th, with final shipments to be made not later than Friday night, Sept. 20th.
